## **MOLINARO REMARKS ON GOVERNOR'S AGREEMENT WITH STATE PUBLIC EMPLOYEES**

*Statement from Assemblyman Marcus Molinaro (R,C,I-Red Hook)*

"I commend Governor Paterson and the leadership of CSEA and PEF for cooperating to develop an agreement that will save millions in tax dollars for New York State. Based on the details we have been provided, if legislation is written soon, we could adopt significant reform of the state pension system, which offers incentives for workforce reductions and savings. This example of shared sacrifice should provide modest comfort and relief to taxpayers overburdened by New York's high cost of living. I look forward to voting on these reforms soon and thank the Governor, CSEA and PEF for seeking consensus and reaching an acceptable agreement for reining in pension costs, responsibly reducing our workforce and saving millions in taxpayers' dollars."
