MOLINARO SLAMS STATE WITHHOLDING OF INCOME TAX REFUNDS

Statement from Assemblyman Marcus J. Molinaro (R,I,C-Red Hook)

“Once again, New Yorkers are being forced to pay for the state’s egregious mismanagement of tax dollars. Under the governor’s budget proposal, citizens that filed their income tax returns early will be forced to wait for their refunds so that the state can pay other bills. This is unfair to the New Yorkers who reasonably assumed they would receive their refunds in a timely manner. Such a policy hurts our local economies because businesses and families that boost consumer spending with their income tax returns will have to wait that much longer. This is not New York’s money and to use these funds to feed a glutinous state government in need of structural reform is the height of institutional arrogance.”
