BILLS INTRODUCED:

A11313

Requires the commissioner of correctional services to enter into agreements with counties and the city of New York to take custody of inmates serving a definite sentence of more than 90 days to alleviate overcrowding in local correctional facilities.

A11242

Provides for release of certain information to public upon release of results of political polls regarding makeup and conduct of poll.

A11300

Makes financial reports of municipal corporations available by electronic means.

A11301

Relates to duties and powers of the disaster preparedness commission.

A11303

Relates to state aid payments to the Northeast central school district.

A11273

Provides that upon the conviction of certain felonies, a person working in a school shall have his or her license or certification revoked, and have his or her employment thereby terminated.

A11359

Enables employees to receive electronic confirmation of direct deposit in lieu of paper pay stubs; authorizes rules and regulations by the comptroller for electronic confirmation system; requires notification of such system in each employee's paper pay stub.

A11374

Authorizes a county to enter into a cooperative agreement with school districts, towns and villages within such county to provide health care benefits for their employees.

A11406

Relates to benefits under the child health insurance plan.
